Objective

Dedicated AI/ML Engineer and Computer Science graduate with strong expertise in full-stack development, machine learning, and product management. Seeking to leverage hands-on experience in developing AI-powered platforms, deep learning frameworks (TensorFlow, PyTorch), and end-to-end product delivery to contribute to innovative technology solutions while advancing in a dynamic corporate environment that values technical excellence and collaborative growth.

Academic Background

Bachelor of Engineering in Computer Science and Engineering SNS College Of Technology, Anna University CGPA: 8.78	2024
Higher Secondary Certificate SNS Academy, CBSE Percentage: 69%	2020
Secondary School Certificate SNS Academy, CBSE Percentage: 72%	2018

Experience

AI/ML Engineer & JSA (Junior Software Associate) - SNS iHub (Onsite) Jul 2024 - Present
- Developing comprehensive Technical Assessment and Recruitment Platform using React (Vite) + Node.js + AI services with Python, OpenAI, and Google Gemini - Built end-to-end product features including AI Resume Analyzer, AI Matchmaker, AI Job Description Generator, AI Feedback Report, AI Evaluation system, and Proctoring System - Implemented full-stack development covering frontend (React), backend (Node.js), and Python AI services with structured coding practices - Integrated Razorpay payment gateway for complete backend, frontend, and API integration - Served as PMO (Product Manager Officer) coordinating cross-functional teams to meet project requirements within stipulated timelines - Managed resource allocation and monitored project cost factors to ensure effective and profitable product development - Led product deployment pipeline with focus on market-ready user experience optimization - Designing and deploying machine learning models for real-world applications in collaborative team setting - Working with deep learning frameworks such as TensorFlow and PyTorch for image and text data analysis - Contributing to data preprocessing, model evaluation, and performance optimization - Collaborating with cross-functional teams to integrate AI solutions into existing products

Internships

UNIQ SOFTECH - Android Development	Jul-Aug 2023
• Designed intuitive interfaces with XML and Material Design principles • Managed data using SharedPreferences and SQLite • Implemented user input, network communication, and background tasks	
Net Tel Solutions India Pvt Ltd - AI with Python	Jul-Aug 2022
• Used TensorFlow, Keras, scikit-learn, and PyTorch • Worked on model selection, hyperparameter tuning, and debugging	

Accent Techno Soft - Web Development

Dec 2021 - Jan 2022

- Learned HTML, CSS, JavaScript; explored React and Angular
- Developed debugging and troubleshooting skills

Projects

Realtime Hand Gesture Recognition Using OpenCV Apr 2024

- Used OpenCV for skin tone detection and fingertip tracking

Detection of Diabetic Retinopathy Using ML Jun 2022

- Built CNN model to detect diabetic retinopathy in retinal images

Home Automation Using IoT with NodeMCU ESP8266 Mar 2021

- Controlled appliances remotely using a web interface

Skills

- **Technical:** Python, React, Node.js, React.js, MongoDB, HTML, CSS, Java, MySQL, C
- **Tools:** Jira, Slack, Google Docs, Google Spreadsheet, MS Word, PowerPoint, Canva, After Effects, Coding Tools
- **Libraries/Frameworks:** TensorFlow, scikit-learn, PyTorch, OpenCV, NLTK, spaCy, React + JavaScript

Courses and Certifications

- Certified NPTEL course in Introduction to Industry 4.0 and IIoT (Nov 2023)
- Wipro TalentNext Java Full Stack (Oct 2023)
- DSA Java - Prepinsta (Jan 2023), Java Nano Degree - Prepinsta (Jan 2023)
- NPTEL course in Software Conceptual Design (Mar 2022)
- Oracle Cloud Infrastructure Architect Professional (Feb 2022)
- TCS iON Career Edge - Young Professional (Oct 2021)
- Oracle Cloud Infrastructure Foundation Associate (Jan 2021)

Co-Curricular Activities

- Participated in Rally on E-Waste Awareness, SNS College of Technology (Jun 2022)
- Served as School Head Boy at SNS Academy (2018-19)

Hobbies

Playing Football, E-Sports, Gym, Watching movies/series
